

## Meet Government of New Brunswick Regulations

GNB recommends that high touch surfaces are disinfected twice daily. Richardson Sanitech can help!

## Hydrostatic Technology

Using a hydrostatic sprayer ensures disinfectants wrap around and evenly coat all types of surfaces for a level of clean you can feel confident in.

## Safe for use on:

- Keyboards
- Door knobs
- Hand rails
- Light switches and more!

## WHY CHOOSE RICHARDSON SANITECH?

- ✓ Health Canada approved materials
- ✓ Safe around electronics, food preparation areas, and soft surfaces
- ✓ Scent free! No bleach smell
- ✓ No rinse required
- ✓ Help build trust with your customers and employees
- ✓ We are local! Located in Fredericton, NB
